Dear President Carter,

I think you have done a good job as President, but I would like to know what you intend to do about C.I.A. illegal operations. Jack Anderson is constantly reporting illegal operations in Chile, Asia and other foreign countries. This does not surprise me. What does surprise me, are reports of C.I.A. activities in the U.S. I agree that covert operations are essential to the security of the nation but when they extend to wire tapping and harassment to our own people, this is definitely stepping out of bounds.

Sincerely,

[Redacted Signature]
